Specifications

Product Details

Upgrade your coffee brewer to the single-serve 171! Using Keurig® technology the 171 brews a fresh cup of coffee, tea, hot chocolate, or iced beverages in under a minute with a touch of a button. The 171's interactive touchscreen offers users the choice of brewing their favorite K-Cup® product and flavor in five different cup sizes; 4, 6, 8, 10, or 12 oz. The 171's Quiet Brew Technology® ensures that the brewing process is so quiet that the only way to tell that coffee is brewing is from the aroma of fresh coffee!
