Culligan quench®

Inspire 2

The Vero Water Inspire is a luxurious countertop water system that can deliver up to 25 liters of chilled filtered still or sparkling water in an hour* perfect for lounges and cafes. The Vero Water Inspire's stylish stainless-steel compact design makes choosing an installation site easy. It's almost 13" dispense height, rapid chilling, and manual portion control offer easy bottle-filling capabilities with exclusive Vero reusable glass bottles. The Vero Inspire uses EPA recommended R290 refrigerant, which is a natural non-toxic, and free of ozone-depleting properties, because it is one of the most climate-friendly refrigerants available. Offer your guests an exclusive and sophisticated hydration experience with the Vero Water Inspire.
