Product Details

Elevate your office breakroom or high-end hospitality environment with Zip Water's HydroTap Classic Plus waterfall faucet. This system offers effortless hydration with instant boiling, chilled still or chilled sparkling water with a touch of a push-button. Available in five classic finishes – Chrome, Brushed Nickel, Matte Black, Gunmetal, and Brushed Chrome, the HydroTap Classic Plus complements any décor. The HydroTap Classic Plus also features air-cooling technology for efficient and quick glass-filling recovery as well as antimicrobial surface protection for enhanced hygiene. The HydroTap Classic is also available with only chilled still and chilled sparkling filtered water or only boiling and chilled still filtered water.
