Specifications

Product Details

Brew the perfect cup every time with the 144, designed for flexibility and ease. Enjoy individual 12 oz. servings from an endless variety of specialty hot or iced beverages, all customizable to suit your taste - including allergen-friendly dairy and non-dairy milk frothing options to avoid cross-contamination. The intuitive 7" / 17.8 cm high-res color touchscreen makes operation simple, while the optional FLAVIA® Tap N' Brew app offers a touchless experience for added convenience. Need hot water in a hurry? Dispense it instantly for soups, oatmeal, or other beverages. Plus, built-in service alerts keep you on top of restocking, cleaning, and maintenance - so your breakroom runs smoothly without the guesswork.
